COMPREHENSIVE CARE ARCHITECTURE

Our Core Care Offerings

Every home care solution is carefully customized to match your family's routine, preferences, and clinical safety needs.

Personal Care

Respectful, professional assistance with daily activities to support dignity and safety at home. Our trained caregivers assist with personal routines like bathing, dressing, grooming, toileting, and safe mobility.

Who Benefits
Seniors recovering from illness, living with limited mobility, or experiencing age-related physical decline.

Why Families Choose This
Dignity-first protocols, fall risk reduction, professional physical transfer techniques.

What's Included

- Grooming & bathing support
- Dressing & hygiene care
- Safe transfers & positioning
- Incontinence care
- Assistance with eating
- Mobility & walking aid

How do you handle personal privacy during bathing?
Our caregivers follow strict dignity protocols, keeping clients covered as much as possible, checking comfort levels, and ensuring absolute respect.

Request Care → Call (223) 260-9042

Companion Care

Active companionship and mental stimulation to combat social isolation. We share conversations, assist with hobbies, play board games, read books, and encourage positive daily interaction.

Who Benefits
Seniors living alone who require light social engagement, companion ship, or cognitive exercises.

Why Families Choose This
Reduces isolation-related depression, encourages emotional wellness, keeps minds sharp.

What's Included

- Engaging conversation & visits
- Card & board games
- Reading aloud & book discussion
- Assisting with personal hobbies
- Accompanying on short walks
- Letter writing & scrapbooking

Can a caregiver take my parent to a local social center?
Yes! Social outings and visits to senior centers, parks, or community clubs are an active part of companion care.

Request Care → Call (223) 260-9042

Meal Preparation

Nutritious, warm, home-cooked meals planned around your loved one's

dietary guidelines. Caregivers handle grocery planning, prep, cooking, and kitchen cleanup.

Who Benefits
Individuals with severe arthritis, diabetes, heart conditions, or difficulty standing to cook safely.

Why Families Choose This
Fresh nutrient intake, safe kitchen appliance operation, customized health diets.

What's Included

- Special diet cooking (low-sodium)
- Weekly menu planning
- Pantry & fridge organization
- Grocery list compilation
- Pots & pans washing
- Meal portioning & freezing

Can you prepare meals for specific diabetic or heart-healthy diets?
Yes, our caregivers coordinate with family guidelines and medical instructions to prepare low-sodium, diabetic-friendly, or soft food meals.

Request Care → Call (223) 260-9042

Transportation Support

Accompanied rides to keep clients active and engaged in their community. We drive to doctor appointments, local pharmacies, grocery stores, and family events.

Who Benefits
Seniors who no longer drive and wish to maintain their weekly schedules independently.

Why Families Choose This
Safe transition in and out of vehicles, complete caregiver accompaniment during visits.

What's Included

- Doctor appointment escorts
- Pharmacy prescription pickups
- Grocery market shopping trips
- Visiting local family & friends
- Accompaniment to religious services
- Errand running support

Does the caregiver drive the client's car or their own?
Our caregivers are fully insured and can drive their own reliable vehicles or accompany clients in the family vehicle.

Request Care → Call (223) 260-9042

Light Housekeeping

Maintaining a clean, safe, and hazard-free home environment. We help with laundry, washing dishes, dusting, taking out the trash, and organizing walking pathways.

Who Benefits
Individuals at risk of falling due to clutter, or those unable to manage daily heavy chores.

Why Families Choose This
Direct fall prevention, sanitary living spaces, organized home flow.

What's Included

- Laundry and linens washing
- Dishwashing & dry storage
- Emptying garbage bins
- Ironing & clothes folding
- Dusting key surfaces
- Organizing walking pathways

Do caregivers perform deep cleaning like window washing?
Our caregivers focus on light housekeeping to maintain safety and hygiene. We do not do deep industrial cleaning, carpet washing, or outdoor maintenance.

Request Care → | Call (223) 260-9042

Medication Reminders

Timely reminders to ensure your loved one adheres to their medication schedules. We help verify pill organizer usage, track dosage times, and log compliance.

Who Benefits
Seniors taking multiple daily prescriptions who experience mild cognitive decline.

Why Families Choose This
Prevents missed doses, avoids accidental double-dosing, logs schedule compliance.

What's Included

- Timely verbal reminders
- Tracking dosage times
- Checking medication labels
- Pill box opening support
- Fluid intake support
- Logging compliance logs

Can caregivers administer injections or sort pill boxes?
Our caregivers provide verbal reminders and help open pre-filled boxes. Clinical sorting or injections must be managed by family members or licensed home health nurses.

Request Care → | Call (223) 260-9042

Alzheimer's Care

Dedicated memory support designed to manage confusion, prevent wandering, and maintain a comforting, stable home environment.

Who Benefits
Seniors diagnosed with progressive Alzheimer's disease.

Why Families Choose This
De-escalation trained support, certified dementia care coordinators, wander prevention.

What's Included

- Sensory calming assistance
- Wander prevention checks
- Memory trigger games
- Redirection techniques
- Routine stability management
- Family status updates

How do you handle agitation or confusion?
Our caregivers are trained in gentle redirection techniques, sensory calming, and validation therapy to defuse moments of confusion.

Request Care → | Call (223) 260-9042

Dementia Care

Specialized, non-pharmaceutical home care focused on cognitive enrichment, sensory exercises, and patient communication to help manage progressive memory loss.

Who Benefits
Seniors experiencing early-to-late stage general cognitive decline.

Why Families Choose This
Preserves daily independent habits, supports active memory retention, maintains comfort.

What's Included

- Sensory puzzle sheets
- Word games & recall tasks
- Validation communications
- Habit and mood tracking
- Reassuring companionship
- Safe exit alerts setup

Do you create a consistent caregiver routine?
Yes, consistency is key in dementia care. We strive to match a regular caregiver to maintain trust and build a familiar routine.

Respite Care

Crucial temporary coverage for family caregivers. Take a break, travel, work, or rest while our professional caregivers provide reliable in-home care.

Who Benefits
Family members who need relief from the daily physical and emotional demands of caregiving.

Why Families Choose This
Prevents caregiver burnout, maintains care quality, provides peace of mind.

What's Included

- Hourly care relief blocks
- Weekend coverage support
- Emergency backup care
- Overnight care blocks
- Client routine continuity
- Detailed caregiver handover

Can we book respite care on short notice?
We strive to accommodate short-notice requests, but scheduling a few days in advance guarantees matching the best caregiver.

Call (223) 260-9042

Disability Support

Compassionate, custom assistance for adults and children with physical or developmental disabilities, supporting independence and active community participation.

Who Benefits
Individuals of any age with physical paralysis, developmental delay, cerebral palsy, or autism.

Why Families Choose This
Medicaid Waiver approved, customized sensory integration, lifestyle support.

What's Included

- Daily hygiene coordination
- Transfer and lift assistance
- Sensory guidance tasks
- Community inclusion trips
- Minus safety protocols
- Independent living skills

Are your caregivers trained in transferring paraplegic clients?
Yes! Our team is trained in safe transfer protocols, slide boards, and mechanical lift assistance where required.

Request Care → | Call (223) 260-9042

Veteran Care

Honoring veterans and their surviving spouses with dedicated, non-medical home care. We help coordinate care programs funded through VA Aid & Attendance benefits.

Who Benefits
Eligible military veterans and surviving spouses who require assistance with ADLs.

Why Families Choose This
VA Aid & Attendance specialist coordinators, zero out-of-pocket options.

What's Included

- ADL assistance blocks
- Pill reminders & logs
- Routine reporting logs
- Companionship escorts
- VA Aid & Attendance filings
- Pantry coordination

How do we check if we qualify for Aid & Attendance?
We work directly with veteran service officers to help you understand qualification criteria and coordinate the application paperwork.

Request Care → | Call (223) 260-9042

24-Hour Care

Continuous around-the-clock monitoring and personal assistance to guarantee client safety, peace of mind, and emergency preparedness day or night.

Who Benefits
Individuals with advanced neurological conditions, severe fall risks, or hospice patients.

Why Families Choose This
Certified wake-staff shifts, coordinator monitoring metrics, 24/7 standby support.

What's Included

- Nighttime transfer support
- Hospice support sync
- Structured day-to-night transitions
- Sleepover check-in logs
- Continuous safety watches
- Rotational team handovers

How do 24-hour shifts work?
We schedule teams of two or three caregivers in rotating 8-hour or 12-hour shifts to ensure caregivers remain alert, awake, and responsive at all times.

Request Care → | Call (223) 260-9042

Employment Services

Empowering individuals to achieve their career goals and gain independence. We offer comprehensive support to build skills, find suitable opportunities, and maintain meaningful employment.

Who Benefits

Individuals seeking to enter or re-enter the workforce, develop professional skills, or receive coaching for job retention.

Why Families Choose This

Tailored career planning, job search assistance, skill enhancement, and ongoing coaching support.

What's Included

- Career Assessment
- Job Coaching
- Job Finding
- Employment Skills

How do you help clients prepare for job interviews?

We offer tailored mock interviews, resume writing assistance, and professional communication coaching to help clients build confidence and put their best foot forward.

OUR STANDARD OF EXCELLENCE

Why Blessed Hearts is Different

We coordinate care at a higher tier of accountability, safety assurance, and caregiver compliance.

Background Checked

Every caregiver undergoes rigorous screening, including state-mandated criminal background checks, references, and credentials checks.

Licensed & Accredited

Fully licensed by the Pennsylvania Department of Health to support Medicaid Waiver programs and private-pay clients.

Personalized Care

No cookie-cutter plans. We map schedules, habits, and caregiver matches to fit your family's dynamic.

Family Communication

Keep the circle of care transparent. Real-time updates and direct lines to local PA care coordinators.

Emergency Support

Standard operating protocols for power outages, weather delays, and personal health emergencies.

24/7 Availability

A live local coordinator answers the phone 24 hours a day, 7 days a week, resolving schedule changes instantly.
